

**NORTHROP GRUMMAN**

DEFINING THE FUTURE™

Partnering with India to  
provide a secure future.

The Bengal tiger exudes power whose ultimate aim is deterrence. The same is true of the Indian Armed Forces, among the largest and most advanced in the world. Northrop Grumman strives to be a trusted partner with India to provide advanced defence capabilities enabling India to meet whatever challenges arise. Northrop Grumman — delivering the most modern technologies to militaries across the globe.
