

Calibration Procedure Modules

Individually priced / site

CAT# *see attached list for individual catalog numbers and prices*

Hundreds of Calibration Procedure Modules are used in conjunction with Test Manager Lite. New calibration modules are added to our catalog on a continuous basis. For custom Calibration Procedure Modules discuss your needs with our staff. All Calibration Procedure Module orders for a site include a current set of INSTRUMENT DRIVERS at no charge. License is for multiple installations or networked users at one site and requires at least one Test Manager Lite license to be functional.

Test Manager Lite

Price: \$6,600 /station

CAT# ACS-H1-TMGR25

Automated Metrology Software that runs individual Calibration Procedure Modules to perform equipment verifications. Includes a Test Executive, a User's Guide file, plus a keyless Runtime only version of TransEra HTBasic. One year of complementary Software Maintenance Service is also included in the initial purchase for each site. License is for one installation running on one PC.

Programming Support Package

Price: \$2,600 /station

CAT# ACS-H1-TMGR21

An add-on package of software that allows programmers to customize reports and write their own Calibration Procedure Modules for any piece of equipment. Package includes CP Editor, Graphic Editor, library of clip art, a Programmer's Reference Manual file, plus an upgrade to keyless Development version of TransEra HTBasic. License is for one installation on one PC and requires one Test Manager Lite license to be functional.

Power Sensor Support Package

Price: \$3,200 /site

CAT# CAL-H1-0000PWRSN

An add-on package of software for RF Power Sensors and Thermistor Mounts that allows technicians to easily tailor Calibration Procedure Modules for specific laboratory needs. For example, we support the majority of the Agilent/HP, Gigatronics, Tegam (Weinschel), and Anritsu Power Standards. This package supports flexible standards by using both Tegam (Weinschel) System II Standards and Hewlett Packard 11760 Automatic Power Sensor Calibration System, along with the Agilent 8757A&D Scalar Network Analyzers for automated SWR measurements. Package includes Power Sensor subprogram with over one hundred default sensor definitions, plus **41 complete Power Sensor Calibration Procedure Modules**. Engineers and technicians, behind password access, can quickly tailor additional Calibration Procedures for your specific laboratory needs. License is for multiple installations or networked users at one site and requires one Test Manager Lite license to be functional.

RF Components Support Package

Price: \$6,000 /site

CAT# CAL-H1-000RFCMP02

An add-on package of easy to use software for calibrating a wide variety of RF Components. This package includes pre-defined Calibration Procedures for: Fixed, Decade and Programmable Attenuators; Directional Bridges, 3-Port Couplers, Dual Directional Couplers, Hybrid Junctions, and Terminations. Customers can also create custom test profiles to support individual Devices Under Test. To assist with this tailoring we have included example test profiles for over 100 specific RF Component related measurements. Engineers and technicians, behind password access, can quickly develop special Calibration Procedures for your specific laboratory needs. We continue to make use of our flexible standards feature to support the Agilent N5531S Measuring Receiver, Agilent 8902A Measuring Receiver, Rohde & Schwarz FSMR Receivers, Tegam VM-7 Receiver, various Power Meters, and the Agilent 8757A&D Scalar Network Analyzers. License is for multiple installations or networked users at one site and requires one Test Manager Lite license to be functional.

If you have any questions or need additional information, please call us at 1-800-913-3773.

410-993-5001 [Fax]

Software Maintenance Service

Price: \$1,750 /site/year

CAT# ACS-H1-SOFTWARE51

This Service supports one site for one year, covering multiple Test Manager Systems (Test Manager Lite, Support Packages, and Instrument Drivers) plus one set of CP Modules. It includes updates for use in all copies of the Test Manager operating systems, including Drivers, purchased for one laboratory site, plus one set of Calibration Procedure Modules. Software updates may include any or all of the following: corrections of problems, added functionality, or performance improvements. Free telephone support for: normal software usage, clarification of documentation, or resolution of software problems is also included. This support is provided by calling SureCAL Products at 410-993-5000 (or 1-800-913-3773 within the USA) between 0830 and 1630 Eastern Time, on normal business days (Monday through Friday).

System Engineering Service

Price: \$195 /hour

CAT# ACS-H1-ENGINEER50

(plus travel allowance)

Assistance in the successful implementation of an Automated Metrology System for your facility. This includes an evaluation of your current calibration process and recommendations for the best automated solutions for your facility. This service also provides technical assistance in the design, network selection, and installation process at your facility. Travel allowance, if applicable, includes transportation, lodging, meals, and travel time at \$105 per hour.

User Training Course

Price: \$600 /person

CAT# ACS-H1-TRNGUSER40

A one (1) Day training course at our Baltimore, MD facility on the basic user's skills needed to operate the Test Manager software. Five person minimum required before class is scheduled.

User Training Course, On-Site

Price: Call for price

CAT# ACS-H1-TRNGINST40

(plus travel allowance)

Programmer's Training Course

Price: \$3,325 /person/3 days

CAT# ACS-H1-TRNGPROG41

A three (3) day training course at our Baltimore, MD facility on programming techniques for creating calibration procedures. Course excludes training on HTBasic, Drivers, and Microsoft Windows. A two person minimum, five person maximum, is required before this class can be scheduled.

Programmer's Training Course, On-Site

Price: Call for price

CAT# ACS-H1-TRNGINST41

(plus travel allowance)

Export Premium

Price: +6.2% /order

CAT# ACS-H1-00EXPORT10

An Export Premium will be added to the total order price for all products and services that are delivered to a non-continental United States address or to a non-US Citizen. Export restrictions may apply to some non-USA destinations.

Sales Tax

Price: Depends on locale

The prevailing applicable Sales Tax will be added to the total order price for all products subject to local taxes, except for products delivered to customers with Direct Pay Certificates on file, or Authorized SureCAL Resellers.
